

GARLAND COUNTY LIBRARY

YOUR CONNECTION POINT

The Garland County Library is excited to partner
with Lakeside Middle School to provide
students with free GCL eCards.

Garland County Library eCards give students access to all of the Garland County Library's online resources. These resources include online tutoring, homework help, language instruction and access to research databases, as well as downloadable e-books, e-audio books, music, movies and more.

The e-card is not a borrowing card for physical items at the library. For information on traditional library cards, please call the Library at 501-623-4161 or 501-922-4483 or visit the Library's website at www.gclibrary.com.
